Club Sponsors

Over the next 3 years the Albion Park Bowling Club has kindly become our Platinum and Major Sponsor. Please support them by becoming a member, it is just \$12 for 3 years and **MEMBERS** can swipe their membership card at the entry kiosk & be part of the great free promotions at the club. We also welcome new sponsors Anytime Fitness Albion Park, WaterWell in Tongarra Rd and Albion Park Automotive.

Please support our sponsors as they help us keep your child's registration fees low.

Don't forget to bring in any receipts for purchases from our sponsors listed on our website to go in the draw to win a \$40 voucher!

Welcome!

I'd like to welcome all returning and new members to season 2013. Above all, I wish that the experience be enjoyable for players, parents and all concerned.

This will be a very short blurb and I'd like to express much appreciation to our volunteers. Without them we wouldn't have teams running out on game days. I have been encouraged by the number of new members who volunteered for the Bunnings BBQ on Saturday.

The football season is always a bit of a stutter at the beginning with school holidays, there are no games in the middle of the holidays, April 21st.

Please note that round 3 is Saturday afternoon on April 27th. This is a one off for the season. It is at North Dalton Park against Wollongong Lions, U/9's at 2pm, U/10's and AusKick at 3.10pm and U/12's at 4.20pm. I will send out reminders via e-mail several times over the next few weeks. It is at the rear end of the school holidays and we understand as other clubs will also experience that some players will be away.

Thankyou to all, feel free to contact me at any time on 0423 528041, if the phone is off email to iluvasahibeer@hotmail.com,

Regards

Alan Cooper
President

Crows Kids

Callum Faulkner, Jonathon Kahler, Harry Cooper, Jonah Faff & Blake McKenzie have been attending Development Squad training during February and March in Wollongong. This involves specialist training from a group of coaches to enhance AFL skills, fitness & game sense. Well done boys.

Callum and Blake have also made it to the Southern Schools representative teams.

Harry Cooper is also part of the Sydney Swans academy training. Harry receives top notch specialist training from coaches of the Sydney Swans development staff. Harry travels to Wollongong and Sydney twice a week. An outstanding achievement!

Wet Weather procedure

Your child's coach will contact you if a game is called off or moved. Every effort will be made to contact you, so please ensure your details are up to date. Announcements will also be made on i98 and Wave FM and Facebook group but just because you hear council grounds are closed doesn't mean our game is cancelled. All advice will be from your coach.

Photo Competition

Our club is holding a year long photo competition. Send your photos to albionparkafl@gmail.com and the best photo for the year that represents 'fun at the footy' will be judged at our clubs presentation day and win a prize. Photos will also go on our club website. If your child is unable to be photographed please let your coach know.

Facebook

Please join our Facebook Group, "**Albion Park AFL - Go the Crows**" and check in to Croome Rd AFL Field when playing at home. This raises awareness of our club amongst your friends. Feel free to post game day pictures on the site. Remember keep all comments and pictures of an appropriate nature.

EXCITING NEWS! New Out of Season Training Facility

This is fantastic news and a 5 year project. Out of season training and school AFL programs can now be conducted at Con O Keefe Oval in Russell St Albion Park. After some initial teething problems with the goal posts they will soon be re erected and in the ground 24/7. A great advertisement for our club and game.
