## President's Report

It is difficult to believe that this is the last home and away game for the season.

A big thankyou to many, including the lady who puts this newsletter together (as well as many other things) each home game, Marilyn Treanor.

The highlight for me is seeing our juniors run out every week and playing the game with great efforts and sportsmanship. Mid-season was a testing time with three consecutive home games rained out but it seems like we will finish with 6 weeks of uninterrupted footy.

There will be training opportunities in the off-season for existing and potential new members so even though the season will soon be over we can prepare for 2014.

Have a great day at our last home/away game for the season and see you at the presentation.

Thanks

Alan
