President's Report

Hello to all Crows members and families!

Isn't it great to have had two consecutive weeks of football, with some luck and decent weather we'll finish with four more uninterrupted weeks.

We will shortly be distributing flyers for another attempt at our "come n try" day. If you have any friends or acquaintances whom you think may have even a remote interest in AFL please encourage them to come along on August 18th, our last home and away game of the season. There are great activities and prizes to be had on the day.

Seeing that trivia night is not far away, August 9th at Albion Park Bowling Club (a great social evening so please come along if you can) I thought I'd add a note of trivia of my own. . . . Did you know there is an AFL competition in Denmark? I only found out about a month ago. One of the teams is the North Copenhagen Barracudas who play in our Crows colours. Google them and it makes for some interesting reading and there are a few interesting photos as well.

There have been no issues in recent times and therefore I would add simply as a gentle reminder to please be mindful of the "code of conduct" towards umpires and officials. We want the umpires, whom are children themselves, to walk off feeling good about the game and we always give them three cheers after the game.

Go Crows, Albion Park that is, and see you Sunday.

Events & General Information

Come and try day - 18 August 2013 (10.00 - 11.30)

On 18th August, which seems a long way away but is actually only 3 weeks from now, we have our next home game. On this day we are incorporating our "come and try" day" which had to be postponed last month. There will be prizes and giveaways not only for new children that come to the ground and join in the activities but for our members as well. **Please**, if you know of anyone between the ages of 5-13 whom you think would be remotely interested in playing this great game please encourage him or her to come along and join in.

Greater Western Sydney Giants

Giants 77 def by Bombers 116

The Giants put in an awesome effort against the Essendon Bombers and although unable to convert the play to a winning match, they gained respect amongst their supporters. The weather switched to perfect just in time for an afternoon match at Skoda Stadium last Saturday.

Many Albion Park Crows players and their families travelled to Homebush once again to support our NSW teams (and interstate teams). If you get out on the ground for 'Kick to Kick' after the match make sure you watch out for flying footballs (as one parent found out!!).
