PRESIDENT'S MESSAGE

G'day all, I hope you all enjoyed the long weekend and have managed to keep out of the rain. We have a full day of games at Croome Road this weekend. As always, volunteers are needed to make the day run smoothly. Many hands make light work. Assistance is needed with setting up the ground, changing the ground configuration, canteen, ground management, assisting coaches and packing up at the end of the day. Please, if you can, help out. It would be greatly appreciated. A BIG THANK YOU to those who are helping out on game days.

The club jackets are in. Please pay the remainder owing and collect your jacket. Polo or-

ders are being taken on Sunday. A deposit of \$20.00 to go to canteen staff who will take your order. They will be available in two weeks' time.

Anyone with raffle tickets and money, please return them as a matter of urgency. The club needs to forward the money to the Sydney AFL.

The kids look great in their training shirts, and I hope the kids have enjoyed their free gifts.

Please remember that smoking is NOT ALLOWED in and around the grounds. This is a Council enforced policy that the club endorses. All smoking should be carried out across the

road. Thank you.

The surrounding fence is not very strong. Please ensure that children stay off it and that adults do not lean on it. Please support our coaches by helping them on the day, they do a terrific job with the kids.— **CRAIG PUSSER**

GENERAL INFORMATION

Our club still requires a ground manager. This person needs to be available from 1.00pm to the end of the day. The role of the ground manager is to hand out and collect match day paperwork and ensure

everyone from players and officials are behaving. They also find volunteers to assist in setting up and packing up the ground. Please see Hank Verhaaf if you can assist.

Boot bags are for sale in the canteen for just \$15.00, Yes! That's right, just \$15.00!!! Quick—get one now for your child's boots and think of all the mess you wont have to clean up!

SOCIAL NIGHT—TRIVIA NIGHT

Last years Social Night Out was a great success with fun and laughter had by all that attended.

This year's Trivia Night is booked for 15 August 2009 at the Albion Park Bowling Club (a sponsor of our Club). Start organizing your table of 8 and watch this space for more details.

If you know any one or any business that are able to help with prizes, please contact Julie Pusser our Club Registrar on 0432 981072.

BOOT EXCHANGE PROGRAM

There is a box in the canteen with pre-loved footy boots in it. If you would like to donate to this box please see the lovely ladies in the canteen at our home games. If you place your pre-loved boots in the box and take a size to fit your child the cost is ABSOLUTELY FREE—WOW! But wait, there's more

If you wish to purchase a pair of pre-loved boots - CHEAP CHEAP CHEAP AT \$5—now that's a great buy! The money raised from this program will go to purchase much needed items for the club.

INSIDE STORY HEADLINE

This story can fit 150-200 words.

One benefit of using your newsletter as a promotional tool is that you can reuse content from other marketing materials, such as press releases, market studies, and reports.

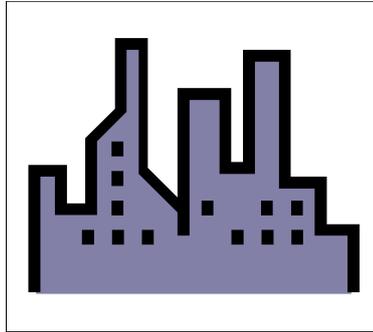

While your main goal of distributing a newsletter might be to sell your product or service, the key to a successful newsletter is making it useful to your readers.

A great way to add useful content to your newsletter is to develop and write your own articles, or include a calendar of upcoming events or a special offer that pro-

motes a new product.

You can also research articles or find "filler" articles by accessing the World Wide Web. You can write about a variety of topics but try to keep your articles short.

Much of the content you put in your newsletter can also be used for your Web site. Microsoft Publisher offers a simple way to convert your newsletter to a Web publication. So, when you're finished writing your newsletter, convert it to a Web site and post it.

INSIDE STORY HEADLINE

This story can fit 100-150 words.

The subject matter that appears in newsletters is virtually endless. You can include stories that focus on current technologies or innovations in your field.

You may also want to note business or economic trends, or make predictions

for your customers or clients.

If the newsletter is distributed internally, you might comment upon new procedures or improvements to the business. Sales figures or earnings will show how your business is growing.

Some newsletters include a column that is updated every issue, for instance, an advice

column, a book review, a letter from the president, or an editorial. You can also profile new employees or top customers or vendors.

"To catch the reader's attention, place an interesting sentence or quote from the story here."

INSIDE STORY HEADLINE

This story can fit 75-125 words.

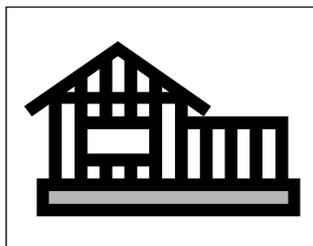

Selecting pictures or graphics is an important part of adding content to your newsletter.

Think about your article and ask yourself if the picture supports or enhances the message you're trying to convey. Avoid selecting images that appear to be out of context.

Microsoft Publisher includes

thousands of clip art images from which you can choose and import into your newsletter. There are also several tools you can use to draw shapes and symbols.

Once you have chosen an image, place it close to the article. Be sure

This would be a good place to insert a short paragraph about your organization. It might include the purpose of the organization, its mission, founding date, and a brief history. You could also include a brief list of the types of products, services, or programs your organization offers, the geographic area covered (for example, western U.S. or European markets), and a profile of the types of customers or members served.

It would also be useful to include a contact name for readers who want more information about the organization.

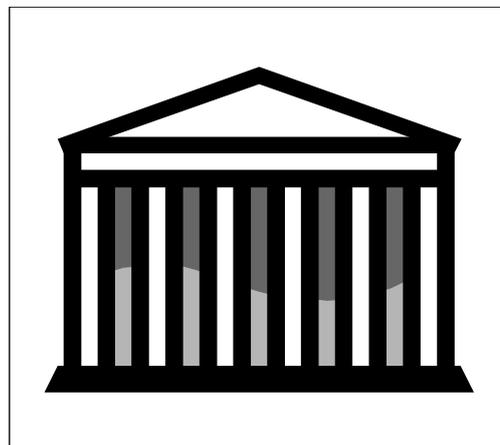

BACK PAGE STORY HEADLINE

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization is a good way to give your newsletter a personal touch. If your organization is small, you may want to list the names of all employees. If you have any prices of standard products or services, you can include a list-

ing of those here. You may want to refer your readers to any other forms of communication that you've created for your organization.

You can also use this space to remind readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month,
